

Trip Information Packet

Guatemala

University of Oregon

June 11-19

Welcome to Courts for Kids. Most likely, this is your first trip with our organization and we are confident that this trip will impact you in ways you cannot even imagine. We work closely with our in-country partner to make sure your basic needs are met, so we can all focus on the task at hand, creating a multi-purpose sports court with the initiative, help and support of the community.

A sports court is a great project because it requires the help of many community members, provides plenty of work for everyone, and becomes an asset that provides not only safe places for children to play, but also various other benefits. The hard work of our team will be a great bridge between us and the community and we will develop a mutual respect that will help provide inroads into a rich cross-cultural experience and first-hand insight into a developing world community.

We are looking for great cultural ambassadors, so please only sign up for this trip if you are willing to step outside of your comfort zone. You will need to work hard, you will be eating different foods, sleeping and bathing in less comfortable environments. But, as they say, if you want to live like you're in America, why leave?

Most importantly, we ask that you enter into this with a great sense of humility. We want you to be eager to learn and grow in this process as we are entering into a different culture with different values and norms. We want you be quick to listen and slow to speak.

We will not be giving you a detailed itinerary as things are very prone to change with this sort of construction project. But your time will be spent working on the court, taking part in various cultural activities and, most importantly, connecting with the locals.

Please look through this informational packet and feel free to contact us with any questions you may have.

If you choose to go, I can almost guarantee you will look back on this trip as a life-changing experience. You will grow so much in a week it will make you wish you could stay longer. In fact, you will probably say this was the best week of your year.

Hope you can come!

Community Information

On this trip, we will travel to a small village called Paxmaramac (pronounced pash-mar-uh-MACK). It is about a 45-minute drive on mountain roads away from Momostenango, the closest urban center. It's in the department of Totonicapán, in the Western Highlands of Guatemala.

Paxmaramac has one primary school and one middle school (site of the future court as shown in both pictures). It was originally constructed as a private school in 2004, but closed the same year because local families couldn't afford the private school tuition rates. Two years ago the school was reopened as a public school, and it now serves 30 enrolled students from 5 villages in the area.

Demographically, this is a remote Mayan K'iche' village. Women wear traditionally woven clothes, and the economy is largely based on subsistence agriculture and small-scale animal husbandry. Less than 300 people live in the village proper, but other similar-sized villages are speckled all over the mountains within walking distance. The majority of people from the village speak Spanish as a second language, with K'iche' as their mother tongue.

The school currently has a dirt soccer field onsite. A local church has a concrete basketball court, but only members of the congregation are typically allowed to play on it (it's protected by locked gates). A Courts for Kids court will benefit the 30 students at the school, plus their siblings and neighboring children. The community leaders agree that the court will be open to all the kids in the community outside school hours. It will be used primarily for the kids' sports activities, and the occasional community assembly.

For part of the trip we will work side-by-side with the local community to build a multi-purpose court for basketball and soccer. But it's not all about work! During this trip we will have an amazing adventure experiencing authentic Guatemalan culture, food, celebrations, and natural beauty. We will work hard, play sports, and even make some Guatemalan friends. During the

whole trip we will be completely immersed in the local culture. We will stay in a local building sleeping on mattresses on the floor. We are looking for volunteers who will be great cultural ambassadors as they are willing to serve a community with great humility and a willingness to learn.

It is important to note that this court will be built with the community not for the community. The community members are very motivated to make their court a reality and from the beginning, they have been the driving factor planning this project to see it come to fruition.

*More specific lodging, packing, and trip logistics will be provided as the departure date gets closer.

**Please note, the destination community is subject to change at the discretion of Courts for Kids in order to best meet the needs and safety of the volunteer group as well as the needs of the host community.

Trip Safety

Courts for Kids makes your safety our number one priority. Being in a safe, tight knit community with strong awareness and ownership of the project will provide local people who will be personally invested in the safety of the team. Courts for Kids also has safety protocols in place that include, but are not limited to:

- A **Courts for Kids representative will lead the group** while in the destination country.
- We always contract **private transportation** to pick up and return the group to the in-country airport.
- We have a **strict behavior and conduct policy** for all trip participants which promotes the safety and security of the group. All participants are required to attend a **mandatory training**.
- We have **secure transportation** available to medical facilities in the case of any injuries.
- We will have a **first aid kit** with the group at all times.
- We only drink **clean, potable water**.
- We work with community cooks to adhere to our **Safe Cooking Practices**.
- We monitor the **US State Department** travel warnings and make travel adjustments as deemed necessary.
- We require all volunteers to be disconnected for the entirety of the trip.
- **Insurance coverage** for all trip participants that includes evacuation with a medical escort in a worst case situation. Policy details can be provided upon request.
- A **Child Protection Policy** which includes background checks for all adults traveling in a group where minors are present.
- Courts for Kids may conduct a **behavioral background check** through a student's school and reserves the right to refuse a participant based on the information we receive.

Safety is a team effort and every trip participant is responsible for their behavior, must use common sense while traveling, and comply with Courts for Kids representatives and trip leaders at all times.

2022 COVID Policies

- All participants must be fully vaccinated with an authorized and/or recommended COVID-19 vaccine by the U.S. Center for Disease Control (Pfizer, Moderna, Johnson & Johnson), including required boosters and must submit documentation of the vaccine to Courts for Kids at least one month prior to departure date. Failure to provide proof of vaccination by the deadline results in forfeiting your spot with no refund.
- Currently the State Department (at time of publication– October, 2021) requires a negative COVID test to return to the US. If this policy is still in place one month prior to departure you will be charged an additional \$125 to cover testing and an additional insurance policy that will cover all expenses if your son/daughter/yourself were to test positive and need to quarantine.
- If a student were to test positive and need to quarantine in host country, a Quarantine Chaperone will stay with the student until they produce a negative test and can return to the US. The additional insurance taken out will cover all expenses if this were to occur.
- Each volunteer will abide by the rules and recommendations of the host country with regards to COVID-19 safety (e.g., in regard to mask wearing, social distancing, etc.), in addition to the latest recommendations for vaccinated international travelers issued by the Center for Disease Control.
- CFK will consider travel to countries identified as "Level 4" by the U.S. Department of State, provided that such level is the result of possible COVID-19 concerns. CFK will not travel to countries identified as "Level 4" due to "crime or violent activity".

Funding Responsibilities

Everyone in your group will contribute to the total project costs.
Each participant will be required to fundraise/donate this amount:

\$1,000

(An additional \$125 may be applied if COVID testing and insurance will be required, this will be collected separately– one month before the trip)

100% of all donations are fully tax deductible

- Round trip airfare (award points cannot be used)
- In-country costs (food, water, lodging, and transportation)

- Court construction costs (in addition to your giving, the host community also contributes making this court a reality).

**All donations are non-refundable (unless the entire project is canceled by Courts for Kids, funds will be refunded less non-recoverable costs). If you raise/donate more than the above amount, you can choose to apply the excess to passport or immunization costs (must submit receipts), the court construction costs, sports equipment, toward the balance of another trip participant or towards Courts for Kids in general. You will not be eligible for any other refunds or reimbursements due to IRS regulations.*

Fundraising Help

Online Appeal

• **Personal Fundraising Page:** Upon registration, you will receive a personal fundraising page and an email with instructions on how to customize it. Come up with a list of friends and family members to send it to. Once somebody donates, it will show up immediately in your registration page.

•Facebook/Instagram Fundraisers:

- Anyone can create a fundraiser on Facebook or Instagram, including your family members; however, fundraisers must follow the rules outlined below. When fundraisers are created correctly, Courts for Kids will directly receive the funds you raise and we will credit 100% of the donations towards your trip fundraising responsibilities.

Rules for Fundraising on Facebook and Instagram

Fundraiser 'titles' (on Facebook) and the text of 'donation stickers' (on Instagram) **MUST** include the trip participant's first and last name or donations received through this fundraiser will **NOT** be able to be credited to your trip costs.

Examples:

•**ACCEPTABLE:** *'John Smith's summer Xavier HS trip to Nicaragua fundraiser'* - Created by John Grandmother

•**NOT ACCEPTABLE:** *'Fundraiser for my summer Xavier trip to Nicaragua'* - created by John Smith

Fundraisers must be created for Courts for Kids, not for yourself. When creating a fundraiser, choose Courts for Kids under the 'Nonprofit' section, do not choose the option to raise money for 'Yourself' or 'For a Friend.'

Today's Date

Dear *(personalize it by adding their name here),*

I am excited to share with you about an upcoming service project in *{insert country}* this upcoming *{month of trip}* through Courts for Kids. I need to raise *{amount needed to raise}* in order to participate so I am asking friends and family members to consider helping out with a tax-deductible contribution.

We will travel to *{insert country}* and make our way to *{insert a couple sentences of community information from the site details page of the packet}*. This community applied to Courts for Kids for assistance in building a multi-use athletic court, which is where I come in. I want to help make this vision a reality for the community but need some help. I am raising money not only for travel costs but also for construction materials, as well.

Our primary project will be to build this court, but we will also take part in other service and cultural learning activities as well. Our primary purpose for going is to serve the local community, but also to grow and learn as we get out of our comfort zone. We will be staying in relatively primitive conditions within the community and will be eating the local food the entire time. This is definitely not a touristy trip, but I am excited for the change I am sure will happen in my life and the impact we can have.

{If you have the space, enter a personal story of why this trip is significant for you}

Would you consider supporting me as well as the local community in this project? I need to raise *{amount needed to raise}* for this trip to be possible. If you are interested, please make a check out to **Courts for Kids** and return it in the enclosed envelope. Could you please return this envelope as soon as possible in order to make sure I hand everything in with enough time to spare? Your donation is **tax-deductible** and **100%** of what you give will go directly to this trip.

Sincerely,

{Your signature and name}
