

# **Trip Information Packet**

## **Timor-Leste**

**July 27-August 3, 2026**

Welcome to Courts for Kids. Most likely, this is your first trip with our organization and we are confident that this trip will impact you in ways you cannot even imagine. We work closely with our in-country partner to make sure your basic needs are met, so we can all focus on the task at hand, creating a multi-purpose sports court with the initiative, help and support of the community.

A sports court is a great project because it requires the help of many community members, provides plenty of work for everyone, and becomes an asset that provides not only safe places for children to play, but also various other benefits. The hard work of our team will be a great bridge between us and the community and we will develop a mutual respect that will help provide inroads into a rich cross-cultural experience and first-hand insight into a developing world community.

We are looking for great cultural ambassadors, so please only sign up for this trip if you are willing to step outside of your comfort zone. You will need to work hard, you will be eating different foods, sleeping and bathing in less comfortable environments. But this is where the greatest lessons are learned.

Most importantly, we ask that you enter into this with a great sense of humility. We want you to be eager to learn and grow in this process as we are entering into a different culture with different values and norms. We want you be quick to listen and slow to speak.

We will not be giving you a detailed itinerary as things are very prone to change with this sort of construction project. But your time will be spent working on the court, taking part in various cultural activities and, most importantly, connecting with the locals.

Please look through this informational packet and feel free to contact us with any questions you may have.

If you choose to go, I can almost guarantee you will look back on this trip as a life-changing experience. You will grow so much in a week it will make you wish you could stay longer. In fact, you will probably say this was the best week of your year.

Hope you can come!

# Community Information

You will be traveling to the Asian country of Timor-Leste, one of the youngest nations in the world, gaining their independence from Indonesia in 2002. The nation occupies the eastern part of the island of Timor, with Indonesia occupying the western. Tetum and Portuguese are the official languages.

After arriving in Dili, you will make your way 3 hours by bus to the community of Ainaro Vila, a town of 5,000-6,000 residents, located in a valley surrounded by mountains and rivers. Ainaro has a mild climate most of the year with a dry/cold season from June through November. Ainaro is a farming community which grows corn, cassava,

sweet potatoes, taro, and other vegetables. It is also well known for its coffee.

The country was the site of intense violence from 1975 to 1999 during the Indonesian Occupation. During this period, groups used the central mountains near Ainaro as a refuge and a base for launching counterattacks. Almost everyone above a certain age has some connection to this resistance movement.

You will be building a court at Venancio Ferraz Middle School. The project will directly benefit over 1,000 middle and high school students from three surrounding schools by giving access to sports, especially during the rainy season, forming sports teams at the school and even renting out the court to generate income for the school.

Your group will be met at the airport by Derek Nesland with Courts for Kids who has been working closely with the community to plan all aspects of your visit. You will work side-by-side with the locals and although it will be challenging there are jobs for everyone of every physical capacity. During the whole trip you will be fully immersed in the local culture eating authentic food, learning local traditions, customs, and way of life. It is important to note that this court will be built with the community not for the community. The community members are very motivated to make their court a reality and from the beginning, they have been the driving factor planning this project to see it come to fruition.

\*More specific lodging, packing, and trip logistics will be provided as the departure date gets closer.

\*\*Please note, the destination community is subject to change at the discretion of Courts for Kids in order to best meet the needs and safety of the volunteer group as well as the needs of the host community.

Courts for Kids makes your safety our number one priority. Courts for Kids also has safety protocols in place that include, but are not limited to:

- A **Courts for Kids representative will lead the group** while in the destination country.
- We always contract **private transportation** to pick up and return the group to the in-country airport.
- We have a **strict behavior and conduct policy** for all trip participants which promotes the safety and security of the group. All participants are required to attend a **mandatory training**.
- We have **secure transportation** available to medical facilities in the case of any injuries.
- We will have a **first aid kit** with the group at all times.
- We only drink **clean, potable water**.
- We work with community cooks to adhere to our **Safe Cooking Practices**.
- We monitor the **US State Department** travel warnings and make travel adjustments as deemed necessary.
- **We do not allow cell phones for minor participants**; adults are encouraged to disconnect but can keep their phone for work purposes.
- **Insurance coverage** for all trip participants that includes evacuation with a medical escort in a worst case situation. Policy details can be provided upon request.
- **A Child Protection Policy** which includes background checks for all adults traveling in a group where minors are present.
- Courts for Kids may conduct a **behavioral background check** through a student's school and reserves the right to refuse a participant based on the information we receive.

Safety is a team effort and every trip participant is responsible for their behavior, must use common sense while traveling, and comply with Courts for Kids representatives and trip leaders at all times.
