The Dominican Republic
St. Bernard/ Immaculate Heart
July 27– August 5, 2026

IMMACULATE
EST HEART 1906
MIDDLE & HIGH SCHOOL

Welcome to Courts for Kids. Most likely, this is your first trip with our organization and we are confident that this trip will impact you in ways you cannot even imagine. We work closely with our in-country partner to make sure your basic needs are met, so we can all focus on the task at hand, creating a multi-purpose sports court with the initiative, help and support of the community.

A sports court is a great project because it requires the help of many community members, provides plenty of work for everyone, and becomes an asset that provides not only safe places for children to play, but also various other benefits. The hard work of our team will be a great bridge between us and the community and we will develop a mutual respect that will help provide inroads into a rich cross-cultural experience and first-hand insight into a developing world community.

We are looking for great cultural ambassadors, so please only sign up for this trip if you are willing to step outside of your comfort zone. You will need to work hard, you will be eating different foods, sleeping and bathing in less comfortable environments. But, as they say, if you want to live like you're in America, why leave?

Most importantly, we ask that you enter into this with a great sense of humility. We want you to be eager to learn and grow in this process as we are entering into a different culture with different values and norms. We want you be quick to listen and slow to speak.

We will not be giving you a detailed itinerary as things are very prone to change with this sort of construction project. But your time will be spent working on the court, taking part in various cultural activities and, most importantly, connecting with the locals.

Please look through this informational packet and feel free to contact us with any questions you may have.

If you choose to go, I can almost guarantee you will look back on this trip as a life-changing experience. You will grow so much in a week it will make you wish you could stay longer. In fact, you will probably say this was the best week of your year.

Hope you can come!

Community Information

The Dominican Republic is the country Courts for Kids has done more projects in than any other country to date— 50 to be exact over the last 17 years, with Camas High School already participating in three of them! Each project has been really special with unique and close bonds being formed between the Dominican locals and our students.

Los Ranchos is a small, rural community nestled within the larger district of El Dean, in the heart of the Monte Plata region of the Dominican Republic. While El Dean has an estimated population of around 7,000 people, only a small portion of that population lives in Los Ranchos, which is much more rural and quieter compared to the busier, more urban areas of El Dean. Despite its size, Los Ranchos has a strong sense of community, where neighbors know each other and traditions run deep.

Most people in Los Ranchos are young, with children and teenagers making up a big part of the population. There are more men than women in the community. Education is a challenge, as many people don't finish school, and only a few have had the opportunity to attend college or university.

The roads are unpaved, and when it rains, they become muddy and hard to use. Still, this doesn't stop the local kids from gathering on those same roads in the evenings to play traditional games after school. The main source of income is agriculture and animal farming. Most of the roads are not paved and they get very muddy when it rains. Lemon, passion fruit, plantains, green beans and yucca are the main agricultural products.

Our group will be met at the airport by the Courts for Kids Dominican Republic Country Director who lives in the Dominican Republic and has been working closely with the community to plan all aspects of your visit. We will be staying in a community building sleeping on mattresses on the floor. The court will also be built at the school and will be used by the entire community. Many times it will be a place where the community will gather to dance and hold celebrations and ceremonies. We will work side-by-side with the locals and although it will be challenging there are jobs for everyone of every physical capacity. During the whole trip we will be fully immersed in the local culture eating authentic food, learning local traditions, customs, and way of life. It

is important to note that this court will be built with the community not for the community. The community members are very motivated to make their court a reality and from the beginning, they have been the driving factor planning this project to see it come to fruition.

*More specific lodging, packing, and trip logistics will be provided as the departure date gets closer.

**Please note, the destination community is subject to change at the discretion of Courts for Kids in order to best meet the needs and safety of the volunteer group as well as the needs of the host community.

Funding Responsibilities

Everyone in your group will contribute to the total project costs.
Each participant will be required to fundraise/donate this amount:

\$2,700

100% of all donations are fully tax deductible

All funds raised are applied to court construction costs and the following group expenses:

- Round trip airfare (award points cannot be used)
- In-country costs (food, water, lodging, and transportation)
- Entrance/exit fees
- Emergency medical insurance
- Special activities
- Chaperone expenses
- Court construction costs (in addition to your giving, the host community also contributes making this court a reality).

Does not include: passport, immunizations, travel to and from the US airport, food or incidental costs on layovers and delays, or spending money for souvenirs.

**All donations are non-refundable (unless the entire project is canceled by Courts for Kids, funds will be refunded less non-recoverable costs). If you raise/donate more than the above amount, you can choose to apply the excess to passport or immunization costs (must submit receipts), the court construction costs, sports equipment, toward the balance of another trip participant or towards Courts for Kids in general. You will not be eligible for any other refunds or reimbursements due to IRS regulations.*

Today's Date

Dear *(personalize it by adding their name here),*

I am excited to share with you about an upcoming service project in *{insert country}* this upcoming *{month of trip}* through Courts for Kids. I need to raise *{amount needed to raise}* in order to participate so I am asking friends and family members to consider helping out with a tax-deductible contribution.

We will travel to *{insert country}* and make our way to *{insert a couple sentences of community information from the site details page of the packet}*. This community applied to Courts for Kids for assistance in building a multi-use athletic court, which is where I come in. I want to help make this vision a reality for the community but need some help. I am raising money not only for travel costs but also for construction materials, as well.

Our primary project will be to build this court, but we will also take part in other service and cultural learning activities as well. Our primary purpose for going is to serve the local community, but also to grow and learn as we get out of our comfort zone. We will be staying in relatively primitive conditions within the community and will be eating the local food the entire time. This is definitely not a touristy trip, but I am excited for the change I am sure will happen in my life and the impact we can have.

{If you have the space, enter a personal story of why this trip is significant for you}

Would you consider supporting me as well as the local community in this project? I need to raise *{amount needed to raise}* for this trip to be possible. If you are interested, please make a check out to **Courts for Kids** and return it in the enclosed envelope. Could you please return this envelope as soon as possible in order to make sure I hand everything in with enough time to spare? Your donation is **tax-deductible** and **100%** of what you give will go directly to this trip.

Sincerely,

{Your signature and name}
