

Trip Information Packet

to

Costa Rica

Jesuit High School, Sacramento

July 18– 27th, 2026

Welcome to Courts for Kids. Most likely, this is your first trip with our organization and we are confident that this trip will impact you in ways you cannot even imagine. We work closely with our in-country partner to make sure your basic needs are met, so we can all focus on the task at hand, creating a multi-purpose sports court with the initiative, help and support of the community.

A sports court is a great project because it requires the help of many community members, provides plenty of work for everyone, and becomes an asset that provides not only safe places for children to play, but also various other benefits. The hard work of our team will be a great bridge between us and the community and we will develop a mutual respect that will help provide inroads into a rich cross-cultural experience and first-hand insight into a developing world community.

We are looking for great cultural ambassadors, so please only sign up for this trip if you are willing to step outside of your comfort zone. You will need to work hard, you will be eating different foods, sleeping and bathing in less comfortable environments. But, as they say, if you want to live like you're in America, why leave?

Most importantly, we ask that you enter into this with a great sense of humility. We want you to be eager to learn and grow in this process as we are entering into a different culture with different values and norms. We want you be quick to listen and slow to speak.

We will not be giving you a detailed itinerary as things are very prone to change with this sort of construction project. But your time will be spent working on the court, taking part in various cultural activities and, most importantly, connecting with the locals.

Please look through this informational packet and feel free to contact us with any questions you may have.

If you choose to go, I can almost guarantee you will look back on this trip as a life-changing experience. You will grow so much in a week it will make you wish you could stay longer. In fact, you will probably say this was the best week of your year.

Hope you can come!

Community Information

Sonafluca is a rural community located in the plains of the district of La Fortuna, within the county of San Carlos, in the province of Alajuela, Costa Rica. Surrounded by fertile land and abundant tropical vegetation, it is an agricultural community where farming and traditional practices remain part of everyday life. The community is located in northern Costa Rica, approximately three hours by car from the capital, San José.

Their economy is deeply agricultural, with cattle ranching (both beef and dairy) and the cultivation of crops such as sugarcane, pineapple, citrus fruits, tubers, and staple grains. Apart from agriculture, many local residents work in the hospitality and culinary industries, as La Fortuna attracts approxi-

mately 150,000 tourists annually, retail and sales, remote work, governmental jobs such as education and medical care, and finally conservation and ecotourism work.

Since this area of the country offers a range of ecosystems, there is remarkable fauna and flora diversity. Sloths, howler monkeys, and a wide variety of exotic birds are some of the most common species in this region, while colorful frogs, iguanas, and coatis can often be spotted along forest trails. Animal night tours are also a popular attraction here, offering the chance to encounter the many species that are nocturnal.

Only 9 kilometers from Sonafluca lies the popular destination of La Fortuna de San Carlos, renowned for its breathtaking landscapes and world-class attractions. The majestic Arenal Volcano, with its nearly perfect cone rising 1,670 meters above sea level, dominates the region and attracts thousands of visitors

each year. Nearby, Lake Arenal—the largest artificial reservoir in the country—along with natural hot springs and waterfalls such as La Fortuna Waterfall, make this area one of the most visited and celebrated destinations in Costa Rica.

Beyond its natural beauty and resources, Sonafluca is also known for the strong human qualities of its residents, who actively participate in projects that strengthen and improve the community. Over the years, local efforts have led to the construction of a bridge connecting Sonafluca with the neighboring community of El Tanque, the development of aqueduct roads, the building of homes and a school, the creation of a forest reserve, and most recently, the addition of five new classrooms for the high school.

Your group will be met at the airport by the Courts for Kids Costa Rica Country Director who has been working closely with the community to plan all aspects of your visit. You will be staying in a community building sleeping on mattresses on the floor. The court will also be built nearby and will be used by the entire community. You will work side-by-side with the locals and although it will be challenging there are jobs for everyone of every physical capacity. During the whole trip you will be fully immersed in the local culture eating authentic food, learning local traditions, customs, and way of life. It is important to note that this court will be built with the community not for the community. The community members are very motivated to make their court a reality and from the beginning, they have been the driving factor planning this project to see it come to fruition.

*More specific lodging, packing, and trip logistics will be provided as the departure date gets closer.

**Please note, the destination community is subject to change at the discretion of Courts for Kids in order to best meet the needs and safety of the volunteer group as well as the needs of the host community.

Today's Date

Dear *(personalize it by adding their name here),*

I am excited to share with you about an upcoming service project in *{insert country}* this upcoming *{month of trip}* through Courts for Kids. I need to raise *{amount needed to raise}* in order to participate so I am asking friends and family members to consider helping out with a tax-deductible contribution.

We will travel to *{insert country}* and make our way to *{insert a couple sentences of community information from the site details page of the packet}*. This community applied to Courts for Kids for assistance in building a multi-use athletic court, which is where I come in. I want to help make this vision a reality for the community but need some help. I am raising money not only for travel costs but also for construction materials, as well.

Our primary project will be to build this court, but we will also take part in other service and cultural learning activities as well. Our primary purpose for going is to serve the local community, but also to grow and learn as we get out of our comfort zone. We will be staying in relatively primitive conditions within the community and will be eating the local food the entire time. This is definitely not a touristy trip, but I am excited for the change I am sure will happen in my life and the impact we can have.

{If you have the space, enter a personal story of why this trip is significant for you}

Would you consider supporting me as well as the local community in this project? I need to raise *{amount needed to raise}* for this trip to be possible. If you are interested, please make a check out to **Courts for Kids** and return it in the enclosed envelope. Could you please return this envelope as soon as possible in order to make sure I hand everything in with enough time to spare? Your donation is **tax-deductible** and **100%** of what you give will go directly to this trip.

Sincerely,

{Your signature and name}
