

# **Trip Information Packet**

## **Guatemala**

**Jesuit High School, New Orleans**  
**June 24-July 2, 2026**

Welcome to Courts for Kids. Most likely, this is your first trip with our organization and we are confident that this trip will impact you in ways you cannot even imagine. We work closely with our in-country partner to make sure your basic needs are met, so we can all focus on the task at hand, creating a multi-purpose sports court with the initiative, help and support of the community.

A sports court is a great project because it requires the help of many community members, provides plenty of work for everyone, and becomes an asset that provides not only safe places for children to play, but also various other benefits. The hard work of our team will be a great bridge between us and the community and we will develop a mutual respect that will help provide inroads into a rich cross-cultural experience and first-hand insight into a developing world community.

We are looking for great cultural ambassadors, so please only sign up for this trip if you are willing to step outside of your comfort zone. You will need to work hard, you will be eating different foods, sleeping and bathing in less comfortable environments. But, as they say, if you want to live like you're in America, why leave?

Most importantly, we ask that you enter into this with a great sense of humility. We want you to be eager to learn and grow in this process as we are entering into a different culture with different values and norms. We want you be quick to listen and slow to speak.

We will not be giving you a detailed itinerary as things are very prone to change with this sort of construction project. But your time will be spent working on the court, taking part in various cultural activities and, most importantly, connecting with the locals.

Please look through this informational packet and feel free to contact us with any questions you may have.

If you choose to go, I can almost guarantee you will look back on this trip as a life-changing experience. You will grow so much in a week it will make you wish you could stay longer. In fact, you will probably say this was the best week of your year.

Hope you can come!

# Community Information

Pachum is a small community belonging to Santa María Chiquimula, located approximately 245 km from Guatemala City along a somewhat winding road that crosses a beautiful landscape between mountains and pine forests. Its climate is mildly cold, and at an elevation of 8,200 feet above sea level, the community is practically in the clouds, so fog is common.

Pachum is also a 100% Mayan community, and its native language is K'iche, which is spoken by 90% of the population in addition to Spanish. Due to the community's Mayan roots, the name comes from K'iche, which means "place where rocks are extracted." Because of the volcanic nature of the area, a lot of volcanic rock is extracted and used in construction.

The conservation of natural resources is very important, especially water, and that's why they have forest ranger committees and a water committee where everyone works together to benefit the community. Also, due to the lack of government support, community participation is very important for community development, which is why the population is so united and works hard to achieve various projects for their benefit.

Among the activities the community engages in are street vending, raising farm animals, and part of the population works in rock extraction for construction. Even so, the community faces many challenges, one of the main ones being child malnutrition, where schools play a vital role with school breakfasts.

Finally, in terms of religion, it is divided between Evangelicals, Catholics, and part of the population practices the Mayan religion, where Mayan plays a very important role in terms of traditions and cultural identity.

Your group will be met at the airport by the Courts for Kids Guatemala Country Director, Peter Rivera Jerez, who is Guatemalan and has been working closely with the community to plan all aspects of your visit. We will be staying in a community building sleeping on mattresses on the floor. We will work side-by-side with the locals and although it will be challenging there are jobs for everyone of every physical capacity. During the whole trip we will be fully immersed in the local culture eating authentic food, learning local traditions, customs, and way of life. It is important to note that this court will be built with the community not for the community. The community members are very motivated to make their court a reality and from the beginning, they have been the driving factor planning this project to see it come to fruition.

\*More specific lodging, packing, and trip logistics will be provided as the departure date gets closer.

\*\*Please note, the destination community is subject to change at the discretion of Courts for Kids in order to best meet the needs and safety of the volunteer group as well as the needs of the host community.

- **Insurance coverage** for all trip participants that includes evacuation with a medical escort in a worst case situation. Policy details can be provided upon request.
- A **Child Protection Policy** which includes background checks for all adults traveling in a group where minors are present.
- Courts for Kids may conduct a **behavioral background check** through a student's school and reserves the right to refuse a participant based on the information we receive.

Safety is a team effort and every trip participant is responsible for their behavior, must use common sense while traveling, and comply with Courts for Kids representatives and trip leaders at all times.

When fundraisers are created correctly, Courts for Kids will directly receive the funds you raise and we will credit 100% of the donations towards your trip fundraising responsibilities.

### Rules for Fundraising on Facebook and Instagram

Fundraiser 'titles' (on Facebook) and the text of 'donation stickers' (on Instagram) **MUST include the trip participant's first and last name or donations received through this fundraiser will NOT be able to be credited to your trip costs.**

**(IT IS BEST TO REWRITE THIS LETTER ADDING YOUR OWN WORDS TO GIVE IT A PERSONAL TOUCH. USE THE FOLLOWING AS A GUIDE)**

Today's Date

Dear *(personalize it by adding their name here),*

I am excited to share with you about an upcoming service project in *{insert country}* this upcoming *{month of trip}* through Courts for Kids. I need to raise *{amount needed to raise}* in order to participate so I am asking friends and family members to consider helping out with a tax-deductible contribution.

We will travel to *{insert country}* and make our way to *{insert a couple sentences of community information from the site details page of the packet}*. This community applied to Courts for Kids for assistance in building a multi-use athletic court, which is where I come in. I want to help make this vision a reality for the community but need some help. I am raising money not only for travel costs but also for construction materials, as well.

Our primary project will be to build this court, but we will also take part in other service and cultural learning activities as well. Our primary purpose for going is to serve the local community, but also to grow and learn as we get out of our comfort zone. We will be staying in relatively primitive conditions within the community and will be eating the local food the entire time. This is definitely not a touristy trip, but I am excited for the change I am sure will happen in my life and the impact we can have.

*{If you have the space, enter a personal story of why this trip is significant for you}*

Would you consider supporting me as well as the local community in this project? I need to raise *{amount needed to raise}* for this trip to be possible. If you are interested, please make a check out to **Courts for Kids** and return it in the enclosed envelope. Could you please return this envelope as soon as possible in order to make sure I hand everything in with enough time to spare? Your donation is **tax-deductible** and **100%** of what you give will go directly to this trip.

Sincerely,

*{Your signature and name}*
