

Trip Information Packet

Panama

Oregon State University Athletics

June 18-27, 2023

Welcome to Courts for Kids. Most likely, this is your first trip with our organization and we are confident that this trip will impact you in ways you cannot even imagine. We work closely with our in-country partner to make sure your basic needs are met, so we can all focus on the task at hand, creating a multi-purpose sports court with the initiative, help and support of the community.

A sports court is a great project because it requires the help of many community members, provides plenty of work for everyone, and becomes an asset that provides not only safe places for children to play, but also various other benefits. The hard work of our team will be a great bridge between us and the community and we will develop a mutual respect that will help provide inroads into a rich cross-cultural experience and first-hand insight into a developing world community.

We are looking for great cultural ambassadors, so please only sign up for this trip if you are willing to step outside of your comfort zone. You will need to work hard, you will be eating different foods, sleeping and bathing in less comfortable environments. But, as they say, if you want to live like you're in America, why leave?

Most importantly, we ask that you enter into this with a great sense of humility. We want you to be eager to learn and grow in this process as we are entering into a different culture with different values and norms. We want you be quick to listen and slow to speak.

We will not be giving you a detailed itinerary as things are very prone to change with this sort of construction project. But your time will be spent working on the court, taking part in various cultural activities and, most importantly, connecting with the locals.

Please look through this informational packet and feel free to contact us with any questions you may have.

If you choose to go, I can almost guarantee you will look back on this trip as a life-changing experience. You will grow so much in a week it will make you wish you could stay longer. In fact, you will probably say this was the best week of your year.

Hope you can come!

Community Information

You will be traveling to Embera Puru, a small indigenous community located on the main road of the Panamerican highway in the province of Darién, corregimiento of Agua Fria, district of Santa Fe, There are approximately 77 houses, a school where the children of the community attend, 2 churches, a cultural communal house, and one soccer field.

The men of the community are dedicated to agriculture, planting products such as bananas, yucca, yams, potatoes, rice and corn.

which are used for daily consumption and sale, Some also dedicate themselves to handicrafts, such as carving cocobolo and tagua. The women are dedicated to handicrafts, such as beaded necklaces, bracelets, earrings. They make baskets from the tree called chungá, They also raise domestic animals such as chickens, pigs, and help their partners in the fields for consumption and sales. The children are dedicated to going to school to study and learn. In their free time they play soccer, hide-and-seek, among other things.

The Community will be eager to receive you with their dances and cultural traditions such as jagua, which is a natural dye extracted from a tree that is processed to obtain an ink used to decorate their bodies with different designs that represent how the Wounan and Embera people perceive the world. It is important for the community to be able to share their heritage.

Your group will be met at the airport by the Courts for Kids Panama Country Director who lives in Panama and has been working closely with the community to plan all aspects of your visit. You will be staying in a community building sleeping on mattresses on the floor. The court will also be built at the school and will be used by the entire community. You will work side-by-side with the locals and although it will be challenging there are jobs for everyone of every physical capacity. During the whole trip you will be fully immersed in the local culture eating authentic food, learning local traditions, customs, and way of life. It is important to note that this court will be built with the community not for the community. The community members are very motivated to make their court a reality and from the beginning, they have been

the driving factor planning this project to see it come to fruition.

*More specific lodging, packing, and trip logistics will be provided as the departure date gets closer.

**Please note, the destination community is subject to change at the discretion of Courts for Kids in order to best meet the needs and safety of the volunteer group as well as the needs of the host community.

2023 COVID Policies

- Groups and participants agree to comply with any COVID-19 vaccine or testing requirements imposed by the destination country as well as the US State Department. This may require participants to show proof of vaccination or a negative COVID test if mandated by either the destination country or the US State Department. Courts for Kids will not impose any testing or vaccine requirements beyond those of the applicable governing authorities.
- As of June 2022, the US State Department no longer requires a negative COVID-19 test for reentry to the United States. In the event that this requirement is re-imposed in the future, Courts for Kids will be required to introduce additional measures to ensure trip participant safety and compliance with the testing requirement. These may include the necessity for COVID-19 trip insurance and a quarantine chaperone for each trip. Groups and participants acknowledge that this may require them to incur additional costs.
- CFK will consider travel to countries identified as "Level 4" by the U.S. Department of State, provided that such level is the result of possible COVID-19 concerns. CFK will not travel to countries identified as "Level 4" due to "crime or violent activity".
- Each participant will abide by the rules and recommendations of the destination country with regards to COVID-19 safety (e.g., in regard to mask wearing, social distancing, etc.), and community-specific measures. •Facebook/Instagram Fundraisers:

- Anyone can create a fundraiser on Facebook or Instagram, including your family members; however, fundraisers must follow the rules outlined below. When fundraisers are created correctly, Courts for Kids will directly receive the funds you raise and we will credit 100% of the donations towards your trip fundraising responsibilities.

Rules for Fundraising on Facebook and Instagram

Fundraiser ‘titles’ (on Facebook) and the text of ‘donation stickers’ (on Instagram) MUST include the trip participant's first and last name or donations received through this fundraiser will NOT be able to be credited to your trip costs.

•**NOT ACCEPTABLE:** *'Fundraiser for my summer Xavier trip to Nicaragua'* - created by John Smith
Fundraisers must be created for Courts for Kids, not for yourself. When creating a fundraiser, choose Courts for Kids under the 'Nonprofit' section, do not choose the option to raise money for 'Yourself' or 'For a Friend.'

- Send the letter and a return-addressed envelope (to your house) to everyone on your list.

IMPORTANT- Get this letter out ASAP to make sure you get your support raised in time.
